ALEXIS NAHUEL FORD

ABOUT ME

I am a Web Developer who has been coding for roughly a year and a half. I started with data analysis and Python but once I started learning Web Development I never went back, I'm in love with what I do and can't wait to be a part of a team and put my skills to good use.

WORK EXPERIENCE

Web Developer

Fullstack E-commerce Project

<https://keepmovingclothing.vercel.app/>

Done with React - MySQL - Express - NodeJs - Tailwind
